I think XM radio should be left alone. It is our choice to pay and listen to it if we chose too. It seems that the Government has a hand in everything these days and I would love to see them keep out of the XM Radio business. It is just like pay tv( hbo cinemax and even pay per view channels). I chose to pay for this service and enjoy no commericals and have a choice to listen to what I want to in my vehicle or in my home. Please leave XM alone. Thanls for your time.
